HAPPY NEW YEAR

What a Run Up to the Holidays in BISM

FS1 hosted their performance of The Gingerbread Man to all the proud parents. It was lovely to see mums and dads entering the school again to watch these performances after the pandemic. The children performed brilliantly and a fun time was had by all.

Not to be outshone, FS2 learnt, performed and made videos of themselves singing their chosen songs to send home to parents. This was just the beginning for them – with a spectacular event for them planned for this term.

CHRISTMAS FAIR

The whole of Primary School was also incredibly busy. Holding their "Make a Difference" end of term fair, they managed to raise almost 70,000EGP for charity. In addition to that, children and their families donated a roomful of clothes which were also donated to charities chosen by the pupils themselves.

CONGRATULATIONS

"In and Out" competition winners celebrated greater attendance and punctuality in the primary school. The winning class, 4A, was awarded with a Movie Morning and popcorn, courtesy of the school. Other children who had achieved 100% attendance with no lateness were also awarded with their personal certificate.

PYJAMA DAY

All school staff and students ended a long first term in their pyjamas. Students brought food for a dish party, ate and watched a movie in their comfy pyjamas and onesies. Students bonded and new friendships were made. What a way to end a fantastic term!

The last week before winter break was filled with incredible events. There was the Carol Service at The British Embassy, where pupils from the school joined with other schools to sing a selection of favourite Christmas carols.

IGCSE Trip To Sokhna

Students enjoyed a one-day boat trip on the beautiful Red Sea, where they had fun bonding together and basking in the warm sun. The day began with an amazing traditional Egyptian breakfast. Students enjoyed swimming, snorkeling and fishing while listening to music. They had a relaxing lunch and then headed back to Cairo full of unforgettable memories together!
