

EEP CUP

It has been such a fantastic week! We hosted more than 2000 students from 9 schools (BISM, EBIS, HIA, MILS, MLS, TBS, GISC, BISC and HIA West) to participate in EEP high-level competitions.

On Sunday, we enjoyed a fierce football competition between under 12 and 14 football teams. The 2nd day the competition was tougher it included under 16 boys and girls football teams. The battle didn't end there, the basketball games were on fire, at the end of the day parents surrounded the basketball court cheering the players which gave our under 16 girl's team great energy to play harder and show incredible basketball skills.

On Wednesday, all teams got together at Hayah school for athletics and the day was filled with talent. Last, but not least, on the last day of the EEP Cup swimmers showed excellent talent in the swimming competition that was held at the BISM swimming pool.

We are incredibly pleased with all teams for playing to the rules and in a spirit of good sportsmanship! Congratulations to our students for winning so many cups. Special mention to the PE department who spent so much time coaching and participating in after-school and weekend competitions with our students. It couldn't have happened without the commitment and effort of each and every one of our PE Department.

BISM BOOK WEEK

From the 5th to the 9th of March, BISM celebrated Book Week. Children across Primary took part in various activities throughout the week and ended it in style on Thursday with a dress up day.

It was amazing to see lots of incredibly creative work being produced in every class, reflecting our children's love of reading! Many thanks to the children that kindly sent in books to be donated, you are certainly making a difference! Well done to those children that used their creative skills to produce amazing posters during the half term break advertising the week itself.

Activities throughout the week included writing book reviews recommending their favourite books, children designing and making their own bookmarks, create their own fiction and non-fiction mini books and of course children also got to dress up as their favourite book characters and join in a parade showing off their beautiful costumes. We had some fantastic costumes and were very pleased to see so many of them were homemade, what a great way to get involved at home! Thank you to everyone who participated, including adults. Special mention to Miss Karen who completed a reading marathon on dress up day, visiting so many classes to read her favourite story!

We hope that you enjoy seeing some photos from our fantastic week! Remember, Book Week may be over, but a child's love of reading is forever.

"The more that you read, the more things you will know. The more you learn, the more places you'll go." – Dr. Seuss
