

# Secondary Sports Day

We believe in our core value of one team!

BISM had a fantastic sports day! Sports Day offered the perfect opportunity to encourage lower secondary students to participate in sporting activities which can aid physical and social development, contribute to academic success and help nurture their self-esteem.

During the sports day, students were given the chance to show leadership, teamwork and communication skills. Everyone's energy was high; parents, students and staff released their inner sporting prowess.

Thanks to our PE department and secondary team for organising such a day filled with energy, cheering and great team spirit!

# Recycling Project

4A have been role-modelling our vision "inspire others"!

They have become very enthusiastic about recycling used paper and cards after they chose this as their idea for the Challenge of the Pharaohs 'Just 1 Thing' project. They decided that it would be great for the environment if all our used paper could be recycled. Over the last few weeks, 4A students have placed a recycling box outside their classroom, encouraged other students and staff to drop off their used paper and card and even organised a collection service. Parents have also started to send in materials from home as well. A recycling company, Gamyat Misbah El Mudii, agreed to collect these materials from us on a regular basis and will recycle them into new paper.

On Saturday, the recycling company called to make their first collection and we will be continuing with this initiative into the future. 4A did 'Just 1 Thing' and it's already having an impact on the rest of the school.

Habiba is a role model for our core values of excellence!

A few months ago, 154 schools worldwide took part in BSME primary writing competition based on the theme Transformations.

Hats off to Habiba Sharif Y4A for her wonderful story - A Doomed Phoenix, Habiba became the top entry and winner of the Years 3 - 4 categories!

Well done to all primary students who participated by submitting wonderful and creative stories.

We look forward to bringing home more winners next year!

## FS2 weekly assembly!

FS2 children are always engaged in a weekly assembly where they discuss whatever they learn during the week as well as sing rhyming songs. The children receive their Active Learn Reading certificates when they read 10, 20, 50 and 100 books. GEMS Jewels of Kindness certificates are earned when they work as a group to show Empathy, compassion, Helpfulness and Respect. This week, the children talked about how to help others and why helping each other is very important, which is related to 'The Little Red Hen' story.
