

Victories at Every Turn

We are proudly creating this issue of the BISM weekly newsletter to celebrate our victories in various aspects, including BISM team victories in sports, BISM Eagles' breakthrough performance from their first football match, every significant milestone reached by our MUN team, IGCSE students' achievements during their recent participation in Junior Cairo International Model United Nations, Egypt National Model United Nations, and BISM fantastic success that CIS approved during their visit last week. We had 6 accreditors from CIS (Council of International Schools) visiting all week and we also had an inspector from BSO (British Schools Overseas) visit for a day. They all commented on how warm and welcoming the school was and how delightful and well-mannered our students were. We want to highlight the importance of teamwork. Collaboration and working as one team is essential for achieving both academic, emotional and personal excellence. Collaboration fosters BISM students a sense of community and shared responsibility, leading to increased motivation, productivity, empathy, and effective communication, which are crucial for building strong interpersonal relationships. Working together with our community, allows BISM to achieve far more than it could alone. We are honoured to make each individual feel supported and encouraged to develop their skills and capabilities. Our mission is to make BISM the place where each staff member, student, and parent can feel comfortable being ourselves and reaching our full potential.

BISM Eagles Never Back Down! They Always Rise!

We are glad to announce that Our Under 13 girls and boys football teams have started a fantastic season, with recent successes in their first friendly matches. BISM under 13 girls and boys football teams won 3 games against EBIS. Under 13 girls won 4-0 Vs EBIS, Under 13 girls won 2-0 against EBIS, and Under 13 boys won 3-0 against EBIS! Congrats! We are so happy for each one of them. You are the best and we are proud to call them BISM Eagles!

BISM Eagles team have shown great spirit and determination, and it's clear they are well-selected and prepared for the upcoming BSME 2023 Football Tournament, which will be held in Doha, Qatar, from November 24th until November 25th. We are witnessing a great effort from our sports teams! They are committed to consistent exercise and training throughout the break which can help improve their performance in the upcoming tournament. Please make sure they also prioritize proper nutrition by encouraging them to drink plenty of water before, during, and after games and practices, and provide a balanced diet that includes carbohydrates, protein, and healthy fats to support energy, please avoid Sugar which can cause energy crashes and poor performance.

It is worth noting that other sports teams have also started team training getting ready for the coming EEP cup round 1 which will kick off on November 12th. We are eagerly awaiting these games to show off our extraordinary students' talents and enjoy more overwhelming victories!

By working together, we can push boundaries, overcome any obstacle and reach new heights. Keep up the good work, team!

BISM Model United Nations Achievements

BISM Model United Nations team members have had some impressive achievements during the last month, first, we would like to clarify that Model United Nations (MUN) is an educational simulation where students learn about international relations and diplomacy by assuming the roles of UN representatives. By participating in MUN team students learn to respect and appreciate different opinions, tolerate diversity, and demonstrate flexibility in their thinking. They also develop important skills such as public speaking, negotiation, and critical thinking.

We are proud to announce that our students have achieved the following:

At Junior Cairo International Model United Nations held at American University In Cairo

Aya El Barbary won Best ICJ Judge and Sapheyya AbdelBary received an Honourable Mention.

At Egypt National Model United Nations, our outstanding students received many awards as below:

Talya Hakim is the conference Secretary General

Logen AbdelBaky is the Human Rights Council Chair.

Karim ElBarbary is the Support Deputy

Malak Hajji is the Deputy of Delegate Engagement.

Wafaa Al Aswadi, Jonier AbdelMasih, and Ragaa El Srougy are the Conference's Administrators.

All BISM students demonstrated exceptional leadership and negotiation skills, showcasing their knowledge and understanding of international relations. They are a dedicated and talented group of students.
