

Primary Math Challenge

Be inspired by winners who turn challenges into triumphs, and strive to make positive changes in their lives, their achievements demonstrate that with dedication you will overcome any obstacle. Yet another successful Maths Challenge was held last Thursday among all the year groups. The raise of standards in Mental Maths is clearly seen with more and more students getting through to round 2 each time. Each time it is becoming more and more difficult to separate the pupils and the questions have to get harder and harder - and they still keep getting them right! Still, there have to be winners so well done to the following:

Year 1: 1st Jihad 1B, 2nd Ali 1B, 3rd Christiano 1C. **Year 2:** 1st Yimu 2B, 2nd Yassine Islam 2

3rd Jasmine 2A. **Year 3:** 1st Seif 3C, 2nd Layla Nehad 3E, 3rd Joury Ramy 3E, 3rd Chris 3D.

Year 4: 1st - Omar M 4D, 2nd Yahia A 4D, 3rd Nagi 4D. **Year 5:** 1st Yahya Sharif 5D, 2nd Yehia Emad 5C, 3rd Abdelrahman Ahmed 5A

Ismailia Educational Leisure Trip

The trip was a combined relaxation by the pool and beach with an enriching career advising program. Students enjoyed a tranquil escape from the academic hustle and bustle after their mock exams. With comfortable accommodation and a beautiful pool area, it was the perfect setting to unwind, soak up the sun, and recharge their batteries. While relaxation was a priority, we also wanted to make the most of our time by incorporating an educational aspect into the trip. As part of our career advising program, students had the fantastic opportunity to visit the renowned Wellex Limited factory. Wellex is a leading manufacturer of medical equipment and supplies. The visit to Wellex Limited factory was a unique chance for year 12 students to witness firsthand the manufacturing process of medical equipment. This enlightening experience gave us a glimpse into the possibilities and career paths within the medical equipment industry, helping the students make more informed decisions about their future career aspirations.

Fayoum Educational Leisure Trip

Years 7&8 trip to Fayoum was a perfect blend of adventure and cultural exploration for students. Sandboarding added a thrilling adrenaline rush, creating unforgettable memories as the students glided down the dunes. The pottery session added a creative element, fostering teamwork and artistic expression. The visit to Wadi Rayan Waterfall showcased the breathtaking beauty of nature, complemented by a tranquil boat ride with seagulls gracefully floating around, allowing everyone to appreciate Fayoum's natural beauty. Exploring local shops offered a taste of the region's unique culture, and the day concluded with a cozy bonfire where students gathered for marshmallow roasting, fostering camaraderie.

BSME Leadership Conference

This conference brought together young minds from six different schools to research into the theme of inclusion within leadership. From Year 4 to Year 13, our pupils showcased an inspiring display of enthusiasm, collaboration, and a commitment to fostering inclusivity in leadership roles.

Hosted at the BISC campus, the event empowered our students to embrace diversity and promote inclusion within their leadership capacities. One of the defining features of the conference was a speech written by one of our students, whose passion was to talk about inclusivity. (letter attached)

The BSME Pupil Leadership Conference in Cairo was a definite success, thanks to our students' enthusiasm and dedication.
