# RiseUp Summit Inspires Seniors

Last Friday, a group of our brightest year 11 and 12 students had the opportunity to attend the annual Rise Up Summits at the Egyptian Museum of Civilization. The Rise Up Summit is an annual event that contains a series of motivational talks, panels, and workshops aimed at empowering and inspiring young people to pursue their dreams and make a positive impact on the world.

Our students were captivated as they listened to talks from several successful and influential speakers. Many students commented that they found the sessions deeply motivating and left feeling energized to tackle their goals with renewed passion and determination.

In addition to the speaker sessions, the students also participated in interactive workshops that allowed them to put some of the lessons into practice.

By all accounts, the Rise Up Summits was a resounding success for our students. They returned to school feeling inspired, with new ideas and the confidence to make them happen.

## EYFS Mother Day Picnic

Last week, BISM hosted a delightful Mother's Day Picnic at the Early Years Foundation Stage garden, bringing together parents and children for a day filled with joy and connection. The event provided a wonderful opportunity for families to spend quality time together, engaging in various fun activities that fostered bonding and laughter. Our picnic was a resounding success, reflecting BISM's commitment to being the school of choice for staff, students, and parents. The atmosphere was filled with warmth and inclusivity, with everyone feeling secure, valued, and accepted. It was heartwarming to see families from diverse backgrounds come together, celebrating the rich tapestry of cultures that make up our community. The smiles and laughter shared during the picnic were a testament to our inclusive culture, where everyone feels welcomed and embraced. At BISM, we work as a family to achieve academic, emotional, and social excellence, always keeping our students at the heart of all we do. The Mother's Day Picnic was a perfect example of this ethos in action, reinforcing our dedication to creating a nurturing and supportive environment for all.

## Primary Art Exhibition

We had the pleasure of hosting a charming Primary Art Exhibition in the small hall, which spanned two delightful days. The exhibition showcased the incredible talent of our primary students, drawing in parents and students who eagerly came to admire these wonderful pieces of art. The exhibition featured a diverse array of artworks, highlighting the inclusive cultural influences and artistic styles our students explored. Visitors enjoyed vibrant displays of Indian, African, and Mayan art, alongside works inspired by famous artists such as Picasso, Paul Klee, Piet Mondrian, Van Gogh, and Kandinsky. The exhibit also included striking silhouette artwork, captivating 2D and 3D creations, and stunning black and white pieces. After wandering through the hall and marvelling at the amazing artwork, attendees had the opportunity to capture memorable moments at our fashion photo booths. Every single piece in the exhibition was crafted by our talented students, showcasing their hard work and artistic skills. The event was a testament to the vibrant and supportive community at BISM, where student creativity is always encouraged and celebrated.

## EYFS Sports Day

EYFS Sports Day was filled with fun and engaging activities. Parents enthusiastically joined in, showcasing their sports talents and inspiring their children to embrace and overcome challenges.

Gathering the EYFS community inside the field made students enjoy an inclusive culture where everyone felt accepted. It strengthened our community bonds, with parents and children sharing and enjoying various activities together in a supportive, fun environment.

The parents' race for each year group was a highlight, bringing laughter and excitement to all. This event reinforced our belief that school is a second home, strengthening the bond between parents and our PE team. It was wonderful to see such strong community spirit, with everyone working together to create a memorable and enjoyable day with students the heart of all we do.

## End Of Year Celebrations at BISM

We're excited to invite BISM parents to our delightful shows and celebrations this June. Mark your calendars for these special events:

- Year 5 Show on June 5th.
- PS Graduation on June 6th.
- FS2 Graduation on June 10th.
- Our Year 1-2 Celebration Assemblies will take place on June 11th.
- Year 3-4 Celebration Assemblies on June 12th.
- Finally, don't miss the highlight of the month, the Year 6 Production, on June 26th.

These occasions showcase our students' talents, hard work, and the milestones they've achieved.

Look forward to celebrating these wonderful moments with you. Your presence makes these events even more special. We can't wait to see you there.
