

UPPER SCHOOL TRIP TO EUROPE

We are thrilled to share with you the exciting journey our upper school students embarked on during their recent trip to Europe. As a school committed to providing a secure, inclusive, and innovative learning environment, this trip perfectly aligned with our mission to foster growth and cultivate global citizens. Our students had the opportunity to visit four incredible cities: Berlin, Lugano, Prague, and Milan, immersing themselves in the rich history, culture, and diversity of each destination.

The itinerary was carefully curated to ensure students embodied the school's core values of respect, empathy, and helpfulness. The trip allowed students to embrace new experiences, challenge their perspectives, and foster connections with people from different backgrounds. The school is proud of their students' behavior and commitment to personal growth, and believes that the trip will have a lasting impact on their lives. The school remains committed to fostering an inclusive culture and nurturing global citizenship.

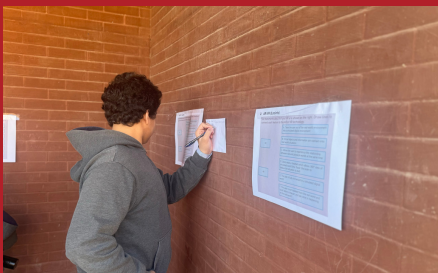

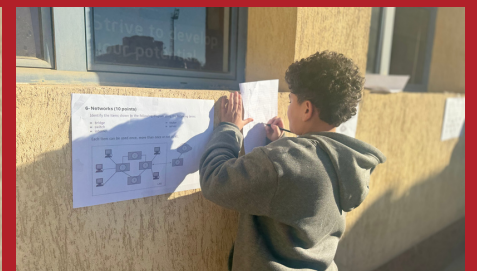

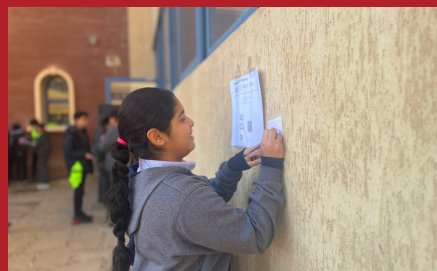

Secondary ICT Assembly

The inaugural innovation assembly at our secondary school, guided by Mrs. Preeti and the ICT department, showcased technological prowess and collaborative learning. Student-led digital captains curated engaging, competitive stations, involving teams from Year 6 to 9.

Secondary students were divided into teams, they went around the school quad to check the questions and find the solutions, and each group collected points according to the number of questions they solved. Recognizing winners across year levels added inclusivity and highlighted diverse talents. This achievement emphasized our commitment to technology, collaboration, and student leadership, aligning seamlessly with BISM's vision and mission. Striving for individuality, inspiring others, seeking challenges, and making positive changes, the assembly reinforced our dedication to academic and emotional-social excellence, placing students at the core of our educational approach. In conclusion, the assembly was a resounding success, marking a significant milestone in our forward-thinking initiatives.

Primary Student Council

We are thrilled to introduce the dynamic members of our Second Term Student Council, a group of dedicated individuals who have been elected to represent the student body and help make our school a better place. These exceptional students have demonstrated outstanding leadership skills, a deep commitment to service, and a passion for improving our school community. We are confident that they will bring fresh ideas, enthusiasm, and a strong sense of responsibility to their roles.
