BISM CHAMPIONS

There are so many ways our students are striving to be the best and we are so proud of the many achievements that have been achieved through hardwork, resilience, determination and a desire to be better. Our sporting students made us so proud in the EEP Cup. Our language students made us so proud in the BSME online language competition. Our confident speakers made us so proud in the primary TED Talks competition.

**Malak Afifi**

1st In Egypt
3rd in Middle East
BSME languages Competition

TRIPS ARE SO MUCH FUN

It has been wonderful being able to have school trips again they are so important as part of a child's education. They show them a different view of what they have learnt in class. They create opportunities for socializing and conversation. They facilitate a different relationship between all members of the class. Last week Y5 visited Snow City, Year 3 visited Noon by Fagnoon, Year 4 visited Ganache. Before mock exams started our secondary students had the opportunity to visit Fayoum.

CURRICULUM OUTSIDE THE LESSON

Over the last two weeks our students have enjoyed Book Week, Maths Week and PI Day. Using the skills and knowledge learnt in the lesson to problem solve, create discussions, discuss books and work with different aged students brings the learning alive. These are the lessons students will remember
