# Ramadan Kareem

Our community came together to think of others rather than themselves. Each year group sent in specific foods and then our students worked very hard to create food bags for those that may not be able to buy such things. This truly reflects what Ramadan is about.

# BISM COMMUNITY

BISM 's community is spreading far and wide. It was a joy to invite our other schools from EEP to join us for the EEP Run. Having made those connections we were then able to have a friendly football match against TBS.

# ALWAYS LEARNING

The EEP community came together to learn from each other. Every school in the EEP community shared their successes giving other schools the opportunity to take away amazing ideas.

Whatever age we are, we are always learning. BISM not only encourages our students to be lifelong learners but also our staff and parents. Parents enjoyed learning about phonics in the EYFS with Ms Karen.

They experienced a mini lesson and participated in activities to understand how children learn, think and feel when learning in a second language.

We discussed how to help children with reading and writing at home.

Leaders across our EEP schools enjoyed two days of training on “Positive Discipline in the classroom”
