

ANTI-BULLYING WEEK

Primary children showed excellent support for this past week's world focus on Anti-Bullying. Suggested by the Student Voice, the awareness posters that many children completed showed a very good understanding of some of the issues and gave a direct and clear message. These are now displayed around the primary school, and the winning posters from each year group will be produced by our marketing team and used throughout the whole year within primary.

Class activities, assemblies and our 'Odd Socks Day' all gave us the opportunity to think, share and talk about how we can stop bullying, what we can do to help and support each other and how to keep raising awareness.

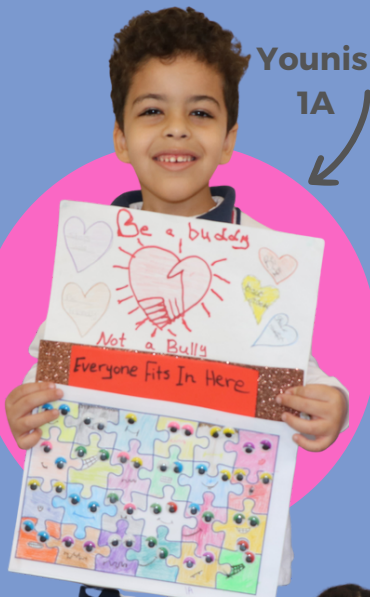

ANTI-BULLYING POSTER COMPETITION WINNERS

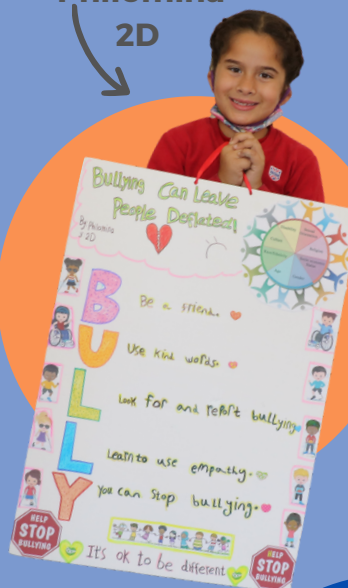

Laila

Autumn festival Charity Event

The Secondary student council decided to spread kindness and raise money to support children with cancer by kicking off an entertaining charity event "The Autumn Festival". Students got together and enjoyed the evening playing games, treasure hunting and swaying to music. It was a wonderful day!

The Importance of friendship coaching session

y7 had an interactive and fun coaching session where they reflected on how friendships can have a major impact on health and well-being, but it's not always easy to develop or maintain friendships. They discussed the importance of social connection in our lives and what we can do to develop and nurture lasting friendships.

Watch our generous LSAs

During my morning and learning walks, I've observed more than enough to make me proud of our amazing team of LSAs and their contributions to their classes. They were all extremely dedicated and focused to be as helpful and productive as possible. They didn't even notice me taking pictures of them. I'd like to show everyone at school how hard all LSAs have been working. Thank you all for your constant dedication.

Mai Mokhtar
Head Of LSAs
